

Melrose Ladies Golf Club

2017 SUMMER NEWSLETTER

The weather has improved - some weeks - but the longer days have allowed for more golf which can only be a good thing - practice sometimes makes perfect!

COMPETITIONS

Ladies Invitation - 7 pairs played in our recent Invitation Greensomes, enjoying good company and a good tea afterwards. The number of entries was lower than in recent years and it may be that we need to address the format of our Open/Invitation competitions for future years.

Championship week begins on Tuesday 4th July with the Quarter finals being played, semi finals on Thursday 6th and Finals day on Saturday 8th July. There will be an 18 hole stableford competition open to non-qualifiers on Tuesday 4th July - entry sheet with draw times will be in the Ladies locker room as usual.

Charity Competitions – our own Charity Day (formerly Ladies Captains Prize Day) will take place on Tuesday 25th July – details to follow. Before that, there will be a Charity Texas Scramble competition on Saturday 15th July. Details have been sent to all club members via e-mail and information is available in the Clubhouse also.

Ladies Outing - this year we are heading to Kilspindie Golf course on Thursday 10th August. We have booked for 12 players - list on notice board in Ladies Locker Room. Always a good day out!

Ladies Open Greensomes - remember our own Ladies Open Greensomes takes place on Saturday 9th September. If you are out and about at other courses don't forget to give us a mention.

Border Ladies Competitions - 3 Ladies from Melrose played recently at Torwoodlee golf course in the Team Tournament. The course was in great condition, it was a lovely sunny day - but sadly we were out of the prizes! Entry sheets for future competitions are in the Ladies locker room.

100 Club Remember your subscription for 2017 - cheques (payable to the club) or cash should be addressed to William Wallace, c/o Melrose Golf Club.

Committee meetings are held regularly throughout the season. Lady members who have any queries or concerns should put these in writing to the Ladies Committee.
