## **Annual General Meeting 2017**

### **Captain's Report**

Firstly I would like to thank the Committee for their time and hard work over the past year. I didn't appreciate, until this year how much they all sacrifice for the good of the Golf Club.

The sponsors also help financially as their competition sponsorship creates more interest and boosts numbers.

Our Green Keeper Sandy Whillans consistently keeps the course in excellent condition throughout the year ably assisted by Douglas Pollock and also Jim Fleming occasionally.

I think the Club can go from strength to strength in the future, with the Open competitions getting popular. I'd like to save a special mention for the inaugural Charity Day which raised a lot of money for a very worthy cause.

I also thank on behalf of the Committee, David Gribbin, who has decided due to work and family commitments to resign from the Competition Secretary post and Keith Grieve, who is resigning from the House Convener position, again due to work commitments. Both David, over the last year and Keith over the last few years have worked tirelessly in their respective posts and have contributed much to the Club, I thank them both for their services and commitment to the Club.

Finally I would like to wish Steve Ervine all the best for his forthcoming year as Captain, enjoy.
